

BSP Advisory Committee

This 15 member volunteer committee is appointed by and serves at the pleasure of the Baxter State Park Authority. The committee is formed by individuals with experience in Baxter State Park and often other wilderness settings around the nation or the world. The committee assists the Park by working closely with the Park Director and other Park administrators to provide an active forum for discussion, review, comment and critique in the formation and revision of policies, procedures and operational systems.

Baxter State Park Investment Committee

The Investment Committee, comprised of highly competent investment/financial professionals, as well as the chair of the BSP Advisory, developed from the Park's Financial Committee in the early 2000s and since very ably guides investment policy and helps inform Park staff and the Authority of the management of the Investment Fund and the Percival Baxter Trust. These assets are managed by BNY Mellon, formerly Boston Trust.
